## Heat Wave Helen Ketteman

What happens when a heat wave descends on the family farm? Why, the corn stalks turn into popcorn in the fields, flowers pluck themselves and hide under the porch, and the cows jump so much from the hot air that they churn their own milk into butter, that's what! In this delightful tall tale, illustrated by Scott Goto (*Shooting Star, Shoeshine Whittaker*), a young girl saves the day (and the farm) using her own ingenuity, every crow in Kansas, and a packet of lettuce seeds.

This particular Heat Wave can give you a lot of good friends because by you investigating this one book you have matter that they don't and make an individual more like an interesting person. This particular book can be one of one step for you to get success. This book offer you information that probably your friend doesn't learn, by knowing more than other make you to be great folks. So , why hesitate? Let us have Heat Wave.

#### Mark Whitten:

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some guide, they are complained. Just minor students that has reading's spirit or real their pastime. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that examining is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Heat Wave can make you feel more interested to read.
