Malcolm X - The Life of Malcolm X

Malcolm X was An African-American human rights activist and Muslim minister. Considered by some to be a black leader fighting for equal rights. Malcolm X can truly be judged by historical fact. Opinions regarding Malcolm X are seldom middle-of-the-road. Malcolm X lived during a time when racial unrest was at its height. It was a watershed period in American History.

Attitudes have been tempered but it is debatable how far we have come. Through the life of a man at the center of racism in the United States, we can learn how far a man was willing to go to foster change. We can also ask if change has truly happened.
