## **Midnight Cry** Sun Hui East

'You were queen, and I was king, but then you disappeared. The king went to the football stadium looking for the queen. She was not there. I was devastated and lonely. I found the queen's crown and corsage blown by the wind. I had put that corsage on the queen's wrist. I stared at the crown and corsage; my king's heart was broken, and I went back to the gym by myself. I waited for the queen to come back....The king still remembers that night. The queen had a secret, and only Anna knows the secret of the queen.'
