## **The Coffins of Little Hope** Timothy Schaffert

An 83-year-old obituary writer for a struggling, small-town newspaper finds herself embroiled in intrigue, stumbling onto the story of her career: a country girl has gone missing, perhaps whisked away by an itinerant aerial photographer. Or so it seems. It all could be simply a hoax, or a delusion, the child and child-thief invented from the desperate imagination of a lonely, lovelorn farm woman. The fragility of childhood, the strength of family, and the powerful rumor mills of small, rural towns—The Coffins of Little Hope tells the story of characters caught in the intricately woven webs of myth, legend and deception.

Esther Myles, an obituary writer in her eighties working for a struggling small-town newspaper, finds herself embroiled in intrigue, stumbling upon the story of her career as the story of the girl reaches far and wide, igniting controversy, attracting curiosity-seekers from all over the country to this dying rural town. And what do the gothic tales of Miranda and Desiree, the storybook sisters of Muscatine's series of novels, play in this town's survival and in the enduring mystery of Lenore?
