In *Finding Jesus Outside the Box*, Rev. Jarrold Cochran invites you to take part in a journey from the hand-me-down answers and dogma of religion into an authentic, living, breathing faith that is deeply rooted in the care of the world and the people within it. Using his own journey to faith as an example, Jarrold challenges the status quo of Christianity and attempts to blaze a new trail for the future of authentic Christ-followers by looking at the predominant issues facing Christianity and the world today, raising difficult questions, and offering possibly even more difficult answers. This book challenges readers to do more than simply believe, but to put that faith in a radical Rabbi from Nazareth into action.
