**A 2009 New York Public Library "Stuff for the Teen Age" Selection**

Boys + Love = Trouble Right?

Staying on track at school means a boy-free equation for Rhonda Lee, who spends most evenings doing homework and eating Chinese takeout with her dad. While Rhonda needs a scholarship for college, some kids at her private high school, like beautiful Sarah Gamble, seem to coast along on popularity and their parents' money.

When forced to tutor Sarah in trigonometry, Rhonda recognizes all too well the symptoms-queasiness, puking, exhaustion-that Sarah is trying to mask. On a sudden impulse, Rhonda shares her past with Sarah. Exchanging their secrets adds up to more truths than either girl would have dreamed.

"Without a bit of preaching, [this is] a story of two teenage girls who are faced with the consequences of unplanned pregnancies. [Readers] will love the emotional peaks and valleys of the tale." -Ellen Wittlinger, author of *Hard Love*

"A sensitive and powerful friendship story. Realistic and heartfelt." -Cynthia Leitich Smith, author of *Tantalize*
