#### **Richard Dike:**

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some guide, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that studying is not important, boring in addition to can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this The Bike Owner's Handbook can make you sense more interested

to read.
