**The Manchurian Crisis and Japanese Society, 1931-33 (Routledge/Asian Studies Association of Australia (ASAA) East Asian Series) Sandra Wilson**

This book explores the reactions to the Manchurian crisis of different sections of the state, and of a number of different groups in Japanese society, particularly rural groups, women's organizations and business associations. It thus seeks to avoid a generalized account of public relations to the military and diplomatic events of the early 1930s, offering instead a nuanced account of the shifts in public and popular opinion in this crucial period.
