### **[(Waggit Forever )] [Author: Peter Howe] [May-2011]** Peter Howe

A family is forever. Ever since he was abandoned as a puppy, Waggit's home has been the big, sprawling park in the heart of the city. There he has had snug shelter, food, and a family of other dogs to call his own. But now everything has changed. It is getting harder and harder to avoid the humans that invade the park every day. Food is scarce and enemies are everywhere. Where can the team go? Waggit has an answer, but getting there is the problem. Can the team survive the journey? Does Waggit have what it takes to lead them when new challenges strike? And who is the mysterious Gray One he unexpectedly meets? Peter Howe's tale of an abandoned puppy's search for home comes full circle in this next book in the series as Waggit finds that strength comes from within and that home is anywhere family is."
