Tired of feeling so lost in the incredibly confusing world of dating women and trying to find the right relationship? In *Dating Success for Men*, renowned dating coach and relationship therapist Jeremi McManus, M.S. lays out the system you need to date successfully and find a long-term relationship in our modern world. The coaching approach he shares is warm, thoughtful, and detailed. Jeremi talks about overcoming rejection -- including his own ups and downs -- and how to understand the perplexing signals women give off so that you can date with confidence. His approach directly addresses the world we live in including where to get started when it comes to dating online and offline, how to set up an online dating or app profile that stands out, and the method for messaging women that gets results. He also shares how to set up winning first dates that turn into more dates with the women you're interested in. Jeremi takes his unique perspective as a licensed therapist to share with you the secrets of dating psychology. *Dating Success* is packed with the tools you need to create a roadmap to kickstart a new gear in your dating life now. Go get 'em!
