First Corinthians (Paideia: Commentaries on the New Testament) Pheme Perkins

In this addition to the well-received Paideia series, a respected New Testament scholar examines cultural context and theological meaning in First Corinthians. Paideia commentaries explore how New Testament texts form Christian readers by

- attending to the ancient narrative and rhetorical strategies the text employs
- showing how the text shapes theological convictions and moral habits
- commenting on the final, canonical form of each New Testament book
- focusing on the cultural, literary, and theological settings of the text
- making judicious use of maps, photos, and sidebars in a reader-friendly format

Students, pastors, and other readers will appreciate the historical, literary, and theological insight Pheme Perkins offers in interpreting First Corinthians.
