While most of us trudge toward the cross with the best intentions, at times our lives just don't pan out the way we've planned. *Messy Faith* addresses the muddled adventure that we call "working out our salvation." It is being sure and unsure, whole and broken, warring, losing, and winning. It is being right and being wrong and having no clue, but believing anyway. And it is trusting in God to perfect the final product of our flawed, human lives.

Author A. J. Gregory explores her own personal experiences, and those of a handful of flawed biblical heroes and others who have endured painful or simply ordinary realities in the journey to belief. This honest book will comfort anyone who has had a less-than-straight path to belief and those who continue to struggle.
