Mighty England Do Good: Culture, Faith, Empire, and World in the Foreign Missions of the Church of England, 1850-1915 (Studies in the History of Christian Missions) Steven S. Maughan

In late Victorian and Edwardian England, says Steven Maughan, foreign missions had a broad resonance and significance not adequately explored by historians of English culture. *Mighty England Do Good* fills that lacuna by examining the rapid growth of foreign missions in the Church of England between 1850 and 1915, culminating at the height of the missionary enterprise in Britain. Maughan's book bridges the gaps between religious, cultural, and imperial history to give a full picture of the movement's importance.

Maughan explores Anglicanism as a microcosm of the larger religious culture of Britain, particularly in light of the expanding British empire. This book provides a multidimensional reassessment of the power that foreign missions had to shape belief, institutions, culture, and practice not only within the Church of England but also in the broader culture of the time.

Katrina Hering:

As a college student exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some guide, they are complained. Just small students that has reading's spirit or real

their interest. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Mighty England Do Good: Culture, Faith, Empire, and World in the Foreign Missions of the Church of England, 1850-1915 (Studies in the History of Christian Missions) can make you really feel more interested to read.
