University Physics Plus Modern Physics Technology Update, Books a la Carte Plus MasteringPhysics with eText -- Access Card Package (13th Edition) Hugh D. Young, Roger A. Freedman

Books a la Carte are unbound, three-hole-punch versions of the textbook. This lower cost option is easy to transport and comes with same access code or media that would be packaged with the bound book.

University Physics with Modern Physics, Technology Update, Thirteenth Edition continues to set the benchmark for clarity and rigor combined with effective teaching and research-based innovation.

The Thirteenth Edition Technology Update contains QR codes throughout the textbook, enabling you to use your smartphone or tablet to instantly watch interactive videos about relevant demonstrations or problem-solving strategies.

University Physics is known for its uniquely broad, deep, and thoughtful set of worked examples—key tools for developing both physical understanding and problem-solving skills. The Thirteenth Edition revises all the Examples and Problem-solving Strategies to be more concise and direct while maintaining the Twelfth Edition's consistent, structured approach and strong focus on modeling as well as math. To help you tackle challenging as well as routine problems, the Thirteenth Edition adds Bridging Problems to each chapter, which pose a difficult, multiconcept problem and provide a skeleton solution guide in the form of questions and hints.

The text's rich problem sets—developed and refined over six decades—are upgraded to include larger numbers of problems that are biomedically oriented or require calculus. The problem-set revision is driven by detailed student-performance data gathered nationally through MasteringPhysics®, making it possible to fine-tune the reliability, effectiveness, and difficulty of individual problems.

Complementing the clear and accessible text, the figures use a simple graphic style that focuses on the physics. They also incorporate explanatory annotations—a technique demonstrated to enhance learning.

This package consists of:

- Books a la Carte for University Physics Plus Modern Physics Technology Update, Thirteenth Edition
- Access Card for MasteringPhysics with Pearson eText for University Physics Plus Modern Physics Technology Update, Thirteenth Edition

From reader reviews:

Gerald Dews:

Do you have favorite book? Should you have, what is your favorite's book? E-book is very important thing for us to learn everything in the world. Each reserve has different aim as well as goal; it means that reserve has different type. Some people really feel enjoy to spend their time for you to read a book. They are really reading whatever they consider because their hobby is definitely reading a book. Why not the person who don't like looking at a book? Sometime, person feel need book if they found difficult problem as well as exercise. Well, probably you will want this University Physics Plus Modern Physics Technology Update, Books a la Carte Plus MasteringPhysics with eText -- Access Card Package (13th Edition).

Andre Roberts:

With other case, little individuals like to read book University Physics Plus Modern Physics Technology Update, Books a la Carte Plus MasteringPhysics with eText -- Access Card Package (13th Edition). You can choose the best book if you love reading a book. So long as we know about how is important a book University Physics Plus Modern Physics Technology Update, Books a la Carte Plus MasteringPhysics with eText -- Access Card Package (13th Edition). You can add information and of course you can around the world by way of a book. Absolutely right, simply because from book you can understand everything! From your country until foreign or abroad you can be known. About simple thing until wonderful thing you could know that. In this era, you can open a book or maybe searching by internet system. It is called e-book. You need to use it when you feel bored stiff to go to the library. Let's examine.

Kendrick Hardee:

The book with title University Physics Plus Modern Physics Technology Update, Books a la Carte Plus MasteringPhysics with eText -- Access Card Package (13th Edition) has a lot of information that you can understand it. You can get a lot of gain after read this book. This specific book exist new know-how the information that exist in this book represented the condition of the world right now. That is important to yo7u to learn how the improvement of the world. That book will bring you within new era of the syndication. You can read the e-book on your own smart phone, so you can read this anywhere you want.

Keith Kemp:

You may get this University Physics Plus Modern Physics Technology Update, Books a la Carte Plus MasteringPhysics with eText -- Access Card Package (13th Edition) by browse the bookstore or Mall. Only viewing or reviewing it could to be your solve trouble if you get difficulties for ones knowledge. Kinds of this reserve are various. Not only simply by written or printed but also can you enjoy this book simply by e-book. In the modern era including now, you just looking from your mobile phone and searching what your problem. Right now, choose your personal ways to get more information about your reserve. It is most

important to arrange you to ultimately make your knowledge are still upgrade. Let's try to choose correct ways for you.
