## Navajo Weaving Way Noel Bennett

Noel Bennett met traditional Navajo weaver Tiana Bighorse in 1968. In time Tiana took her into her family as a daughter. Together they sheared sheep, collected plants, dyed wool, carded, spun, and wove. This book records their many experiences together, a collaboration that spans nearly thirty years. In 1971, Tiana and Noel wrote *Working with the Wool: How to Weave a Navajo Rug*. Noel later wrote *Designing with the Wool* and *The Weaver's Pathway*. Now, this single, authoritative volume brings together those three books--with updates and revisions--as well as excerpts from other published articles and books by Noel and Tiana about Navajo weaving, culture, and history. Detailed charts and illustrations help the weaver find her way step-by-step through the making of a first sampler and through several more advanced techniques.
