### DSLR Photography Made Easy: Complete Guide To Taking Visually Stunning Photos Using Your DSLR

You might be intimidated by all of the bells and whistles of your new DSLR. That manual alone is pretty intimidating. But don't skip the manual, it is an important tool. Turning on the "Auto" option might seem tempting – and it can work out fine for most common shots – it isn't why you got a DSLR, is it?

Owning a DSLR means that you want to take control over the type of images and the quality of the images that you take. Besides, you could have used that option with any other camera – even your smartphone has that option.
