Queen of the Black Coast: The Epic Of Conan Lore

Robert E. Howard

Queen of the Black Coast: The Epic Of Conan Lore Robert E. Howard

Conan turns his back on the civilized world and takes to the Western Ocean. Finding first danger and then passion in the arms of the pirate queen Bêlit, the Cimmerian begins a new life of pleasure and pillage along the Black Coast, in this epic of romance and terror!

Queen of the Black Coast" is one of the original short stories about Conan the Cimmerian, written by American author Robert E. Howard and first published in Weird Tales magazine circa May 1934. It is set in the pseudo-historical Hyborian Age and concerns Conan becoming a notorious pirate and plundering the coastal villages of Kush alongside Bêlit, a head-strong femme fatale.

Due to its epic scope and atypical romance, the story is considered an undisputed classic of Conan lore and is often cited by Howard scholars as one of his most famous tales.

"My characters are more like men than these real men are, see. They're rough and rude, they got hands and they got bellies. They hate and they lust; break the skin of civilization and you find the ape, roaring and red-handed." ? Robert E. Howard
