About Zombie Fairy Tales:

The Curse of Peter Pan is the eighth in a monthly series of short stories set in a dark fairy tale universe plagued by zombies. Surreal and full of black humor, installments feature familiar childhood characters as they encounter a world of stark violence and horror—Cinderella is worked to death before the ball, Pinocchio is made from children's corpses, and Little Red Riding Hood finds more than wolves in the forest.

The series features overlapping elements, characters, and places for a more immersive experience for the dedicated fan, but can also be read as stand-alone entries in any order. Get infected now.
