“Veterans Law & Benefits: A Comprehensive Guide to the Process, Laws, & Benefits Available for U.S. Military Veterans, their Dependents, & Survivors” by Judge Hal Moroz. VA Benefits ... VA Claims ... Veterans Law ... Federal Tort Claims ... Federal & State-by-State Veteran Resources ... and More! **THIS BOOK COVERS THEM ALL!** "...this book's sections form a comprehensive guide to the process, law, and benefits available for U.S. military veterans and their families. "And the beauty of this book is that it is a compact, portable reference for veterans and/or their family members when the need to know something about Veterans Law or VA benefits arises. More often than not, people contact me or other attorneys or veterans advocates for help on such matters, but many times those services incur costs. This book is a low-cost, simple guide to understanding the process and the bureaucracy. It does not eliminate the need for competent counsel on such matters, as this is not the purpose of this work. This book is designed to educate laymen on veterans matters, and better prepare them to ask questions of the VA or legal counsel, should the need arise. In the words of Sir Francis Bacon, 'Knowledge is power.' This book is powerful!" ~ Judge Hal Moroz, U.S. Army Retired, from the Preface
