For more than a decade, students, pastors, and others have looked to "Kingdom Ethics" as a challenging, comprehensive framework for Christian ethical thought. Solidly rooted in Scripture especially Jesus's teachings in the Sermon on the Mount the book nurtures a life of practical discipleship in light of the present and coming kingdom of God.

This substantially revised edition of "Kingdom Ethics" features enhanced and updated treatments of all major contemporary ethical issues. David Gushee's revisions include updated data and examples, a more global perspective and more gender-inclusive language, a clearer focus on methodology, discussion questions for every chapter, and a vastly expanded glossary."
