Masquerade (Vampires Realm Romance Series Book 7)

Ten years have passed since Sophis and Vivek, two vampires of the Venia bloodline, came close to death at the hands of twin hunters Alekssis and Izabella Romanov. The events of that night turned Sophis and Vivek against each other, shattering their close friendship and driving them apart.

Now, on the eve of a centenary Creator Day masquerade and at a time when things between them are dangerously close to separating them forever, they uncover a small army of vampire hunters in Saint Petersburg, led by their nemeses, Alekssis and Izabella.

With the safety of the rulers of the seven pure vampire bloodlines in their hands and their chance for vengeance hanging in the balance, can Sophis and Vivek face their past and overcome their differences? Will they realise their true feelings for each other before it's too late or will the hunters finally claim their lives as their deadly plot to destroy the bloodlines unfolds?
