***My First Book of Chinese Words* introduces young children to basic words and concepts in the Chinese language through colorful rhymes and beautiful imagery.**

It is a book that parents and young children will enjoy reading together. The Chinese words in the book are all common, everyday items and the rhymes are informative and fun for children.

The goal of *My First Book of Chinese Words* is to familiarize children with the basic sounds and written characters of Chinese; to introduce core concepts of Chinese culture and to illustrate the ways in which Chinese sounds differ from English ones. Teachers and parents will welcome the cultural notes at the back of the book and appreciate how the book is organized using a familiar ABC structure. Each word is presented in Chinese characters (both Simplified and Traditional) as well as Romanized Pinyin for easy pronunciation.

With the help of this book, we hope more children (and adults) will soon join the more than one billion people worldwide who speak Chinese!
