There are some children who blame their Stepmom or Stepmother for their parent's divorce. Children tend to be like these especially when they feel that there is still hope in their parent's marriage. Being resentful is their way of protecting themselves from further emotional distress after their parent's separation. During this time, strong emotional hiatus arises between the stepmom, the spouse and the children. Instead of riding against the tide, and inflicting more conflict and pain among parties, you need to develop and gain wisdom on how to handle all step parenting issues that will come your way. As a stepmother, there are things you can do to show your support and love to your partner's children and your spouse.

The key to a healthy blended family is using the wise counsel in this Step Parenting book, as a partner you have to be sensitive of these children's feelings, especially when you and your partner are planning to add a bundle of joy to your soon to be family. That's why smart step parenting is really essential during these critical situations, because you do not want anyone in the family to feel left out. Everyone should feel accepted and feel a strong sense of belongingness. Good thing this book will help you how to be a good stepmom.

Reaching out to these kids won't harm you, in fact there are proven strategies inside this Step parenting book on how you can approach these kids in a friendly and lovingly manner. Being a Stepmom or Stepdad isn't easy, that is why there are Step parent books like this to help you build that long lasting relationship with your step children.
