## **The Woman in White (Modern Library Classics)** Wilkie Collins

Generally considered the first English sensation novel, **The Woman in White** features the remarkable heroine Marian Halcombe and her sleuthing partner, drawing master Walter Hartright, pitted against the diabolical team of Count Fosco and Sir Percival Glyde. A gripping tale of murder, intrigue, madness, and mistaken identity, Collins's psychological thriller has never been out of print in the 140 years since its publication. Anne Perry writes in her Introduction to this Modern Library Paperback Classic (set from the "New Edition" of 1861), "[**The Woman in White**] has lasted, to our great pleasure, because it is superb storytelling about people who engage our minds and our imaginations."
