**Before the Wind: The Memoir of an American Sea Captain, 1808-1833** Charles Tyng

**Charles Tyng's** quarter century under sail took him around the world half a dozen times at the beginning of the nineteenth century. Fortunately, he proved to be as natural a storyteller as he was a sailor. **Before the Wind** has been hailed as a superb contribution to seafaring literature, alongside such books as **Two Years Before the Mast** and the novels of **Patrick O'Brian**. Both Tyng's life and the way he recounts his years at sea are full of wonder: He survives shipwrecks, squalls, and pirates. He makes and loses fortunes in tea, sugar, and cotton. He meets **Lord Byron** as well as the British princess (later queen) **Victoria**. Sailors, armchair travelers, history buffs, and lovers of pulse-quickenning maritime stories will find this book as seductive as the siren song of the sea.
