If you'd asked me what love was two years ago, I probably would've said, 'It's this amazing feeling that obsesses and possesses you; it's what me and my husband currently have.' If you ask me that same question today, I'll say, 'Please get the hell out of my face.'

Claire Gracen's life is picture perfect. Her career as a marketing director is on the brink of being legendary, and her marriage to her high school sweetheart has never been stronger. No, wait. It has. It used to be amazing and fulfilling, but one day Claire realizes that she's been living a lie and her best friend and husband have committed the ultimate betrayal.

Broken and depressed, Claire is in need of something new—new city, new job, new friends.

When she happens to attract the interest of the sexiest man she's ever met, a man significantly younger than her, she immediately turns him down—only to later discover that this man is Jonathan Statham, self-made billionaire and CEO of Statham Industries. Her boss.

Jonathan Statham is unlike any man she's met before. He's used to getting whatever he wants—whenever he wants, and he isn't about to take no for an answer.

Sexy, unpredictable, and charmingly clever, Mid Life Love is a story that will captivate you, entertain you, and force you to fall deeply in love with the characters.
