Savannah Ivey's horse goes missing and Rags, the klepto cat, goes into mourning. Savannah and her friends spend days on horseback searching for Peaches over miles of dense wilderness. Along with a few dead-end clues, they stumble upon Elsie, a most unusual elderly woman living under dangerously primitive conditions. Elsie harbors secrets—some of which may lead to the recovery of Savannah's horse, but only after Rags puts his claws into the matter and Detective Craig Sledge gets involved.

The Corral Cat Caper features a lot of horse energy. It's rich in adventure of the feline as well as equine sort. In one scene, Rags attempt to save their sweet kitty, Buffy, from a catnapper and Savannah helplessly watches this drama unfold via a surveillance camera app on her phone.

This story is full of sweet and evil surprises, unexpected twists and turns, and plenty of action and adventure.
