Have You Read About the Doctor Who Died and Went To Heaven? And Then Came Back!

Thaddeus Murfee is retained to defend a case unlike any he's encountered before. The client: a doctor who died and went to heaven and came back to write a book and tell the world about what he learned.

It all sounds like something out of a fantasy novel, and yet the doctor offers compelling evidence in his bestseller. So compelling, one woman decides to test his theories for herself and ends up in a coma. Her family sues the doctor. What follows is a mixture of reality and fantasy--or is it fantasy?

While Thaddeus longs to believe that he might join his dying wife one day, the cynic in him screams that it's a scam. But who can really say? Besides, maybe taking such a case to trial will force a deeper look at both sides. So Thaddeus commits himself to finding out the facts of the matter. Unforgettably, the deeper he digs, the more he begins to question everything he's ever known. And if he's wrong, he's not sure he'll bear the pain of losing his wife a second time.

You'll want to be in the front row on this one when the young lawyer puts death on trial. Watch with the jury as the experts come into court and testify about what's really going on in *The Near Death Experience*.

This is a book that can change your life. Are you ready?
