What Immortal Hand, set in the 1800s, is a tale of two artists, both of whom are struggling to find their identity and place in the world. They set out to paint their respective commissions, both asking them to interpret some aspect of God. But what if one of the commissions seemingly challenges the status quo--the mural of the "Ascent of Man," which on its surface, seems to glorify 'natural selection' in lieu of a Creator? Follow these two artists on their fast-paced adventure to achieve their personal best, and find out what they learn about themselves, and the acts of evolution and creation, along the way.
