## **Benedict Arnold: A Drama of the American Revolution in Five Acts** Robert Zubrin

Benedict Arnold: A Drama of the American Revolution in Five Acts Benedict Arnold was the greatest combat soldier of the American Revolution. Yet, in September 1780, in collusion with the beautiful Tory agent Peggy Shippen and British spymaster John Andre, he attempted to betray George Washington, the Marquis de Lafayette, Alexander Hamilton, and the critical fortress of West Point into Royal hands. This devastating plot came within a hair's breath of succeeding, and the fragile infant American cause was only saved by the chance intervention of three of the humblest and most improbable heroes ever to grace the annals of history. Exciting and dramatic, the tale of the Arnold conspiracy recounts the most perilous moment in the birth of the new nation, and plumbs the depths and the heights of human nature. Now, in the historically accurate play, Benedict Arnold, noted scientist and author Robert Zubrin brings this incredible and still meaningful story back to life.
