La otra historia de Mexico Juarez y Maximiliano (Spanish Edition) Caton

Armando Fuentes Aguirre Caton, es el columnista mas leido de Mexico. Sus articulos De politica y cosas peores y Mirador hacen reir y pensar cada dia a cientos de miles de lectores. Sus reflexiones acerca del panorama nacional son a un tiempo amenas y profundas, y sus meditaciones en torno del mundo y de la vida poseen filosofia trascendente. Ahora conocemos otra faceta de Caton, la del hombre que estudia la historia mexicana y nos la entrega convertida en relato apasionado y apasionante. Este libro contiene una vision de Mexico distinta a la version que se nos enseno. En esa nueva perspectiva, Juarez aparece con un perfil de plenitud humana, no de estatua, y en sus paginas la narracion de la vida y la muerte de Maximiliano alcanza conmovedores matices de tragedia. El sorprendente texto de Caton muestra el consumado oficio del escritor y la agil amenidad del periodista que le caracterizan. Aqui aprendemos que nuestros heroes no son de bronce o marmol, sino hombres sujetos a la grandeza y las miserias de la condicion humana, y aprendemos tambien que aquellos que nos han sido presentados como villanos, y que estan condenados al basurero de la historia, quiza se equivocaron, pero no son traidores, ni deben por tanto ser objeto de execracion u olvido. Tarea de reconciliacion cumple el autor, y de unidad en el comun amor en Mexico. Despues de leer estas paginas, sin duda nuestra vision del pasado ya no sera la misma. Con lo cual se habra cumplido el proposito que se fijo Fuentes Aguirre al escribir La otra historia de Mexico: que amemos a nuestra patria en la verdad.
