Secret Society: A Novel Miasha

"It had been a year and a half since I graduated high school and a year since I been workin' -- workin' niggas, that is."

It's 2001, and Celess and Tina are at the top of their game. With Celess's fine features and Tina's voluptuous body, they attract attention from men wherever they go. From New York to Philly to Delaware, they hit all the clubs and every big party with the baddest outfits. And they don't pay for a thing. Celess has no job and no need to worry about getting one, not with boyfriends like O, Tariq, and James lining up to buy her the latest designer clothes, the hottest jewelry, and the most expensive cars.

But Tina's and Celess's fast, packed lives are about to catch up with them. The two share a devastating secret, and when it's revealed, Celess will need every ounce of her street smarts to survive. This book has a twist that will leave you shocked!

From reader reviews:

David Sweet:

Nowadays reading books be a little more than want or need but also work as a life style. This reading practice give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book this improve your knowledge and information. The information you get based on what kind of publication you read, if you want send more knowledge just go with education books but if you want feel happy read one along with theme for entertaining for instance comic or novel. The particular Secret Society: A Novel is kind of e-book which is giving the reader unforeseen experience.

Erik Herrera:

Is it you actually who having spare time and then spend it whole day by simply watching television programs or just laying on the bed? Do you need something new? This Secret Society: A Novel can be the reply, oh how comes? A book you know. You are so out of date, spending your free time by reading in this fresh era is common not a nerd activity. So what these guides have than the others?

Samuel Jackson:

As a scholar exactly feel bored for you to reading. If their teacher inquired them to go to the library or even make summary for some book, they are complained. Just small students that has reading's heart or real their passion. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Secret Society: A Novel can make you experience more interested to read.

Juli Gadberry:

What is your hobby? Have you heard that question when you got scholars? We believe that that question was given by teacher with their students. Many kinds of hobby, Every person has different hobby. So you know that little person such as reading or as reading become their hobby. You need to understand that reading is very important along with book as to be the factor. Book is important thing to include you knowledge, except your own personal teacher or lecturer. You see good news or update with regards to something by book. A substantial number of sorts of books that can you go onto be your object. One of them is this Secret Society: A Novel.
