**A gripping novel of two sisters who must reimagine the future-before they're ready to let go of the past.**

As a girl, Margot Winkler knew her big sister Lacey would keep her safe. Decades later, Lacey's home is often Margot's refuge. Lacey's life has seemed close to perfect-a loving husband, twin daughters on the brink of womanhood, and a home filled with her beautiful hand-woven textiles. But everything changes when Lacey reveals some devastating news. A rare disease is slowly stealing her ability to use language. Now Margot must imagine the future and find the courage to help her sister discover a new voice, keenly aware of the slender threads that bind them to this life, and to each other.
