Baseball has a strong presence in the Akron-Canton area dating back to its formative years in the late 1880s with such teams as the Akron Acorns (1887), the Akron Akron (1890), and the Canton Nadjys (1889). In the 1920s, manufacturing companies such as Goodyear and Firestone fielded baseball teams that battled for local bragging rights and opportunities for players to make the big leagues. Along with these industrial leagues, professional baseball found its way to the Akron-Canton area with minor-league teams including the Akron Yankees (1935-1941), the Canton-Akron Indians (1989-1996), and the Akron Aeros (1997-). In addition to teams affiliated with major-league ball clubs, this area gave birth to independent teams such as the Canton Crocodiles (1997-2001), the Canton Coyotes (2002), and others. Besides professional baseball gracing local fields, nearby universities have storied baseball programs of their own. These schools have turned out such major-league greats as Eugene Michael, Thurman Munson, and 1980 Cy Young winner Steve Stone. Akron-Canton Baseball Heritage offers a unique look into the history of baseball in the region with historic and present-day photographs.
