**Frogs and Other Plays (Penguin Classics)** Aristophanes

**Three plays from Aristophanes, the master of Ancient Greek comedy**

Marrying deft social commentary to a rich, earthy comedy, the three comedies collected in Aristophanes' *The Frogs and Other Plays* offers a unique insight into one of the most turbulent periods in Ancient Greek history. The master of ancient Greek comic drama, Aristophanes combined slapstick, humour and cheerful vulgarity with acute political observations. In *The Frogs*, written during the Peloponnesian War, Dionysus descends to the Underworld to bring back a poet who can help Athens in its darkest hour, and stages a great debate to help him decide between the traditional wisdom of Aeschylus and the brilliant modernity of Euripides. The clash of generations and values is also the object of Aristophanes' satire in *Wasps*, in which an old-fashioned father and his loose-living son come to blows and end up in court. And in *Women at the Thesmophoria*, the famous Greek tragedian Euripides, accused of misogyny, persuades a relative to infiltrate an all-women festival to find out whether revenge is being plotted against him.

Shomit Dutta's introduction discusses Aristophanes' life, the cultural context of his work and conventions of Greek comedy. This updated version of David Barrett's translation also includes extensive notes and a preface for each play.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
