The OLSAT, the latest version of the Otis-Lennon School Ability Test, is a multiple choice "school ability" test that is administered throughout the United States for placement into various gifted and talented programs. This 67-page OLSAT practice test, which includes eight sample questions for Pre-Kindergarten and Kindergarten, is intended to help familiarize children with the OLSAT content and structure. Pre-Kindergarten children entering Kindergarten (New York City) and Kindergarten children entering First Grade take the A level OLSAT test. Pre-Kindergarten children must answer the first 40 questions, while Kindergarten children must finish all 60 questions. Understanding the format and content of the test will enable children to perform to the best of their ability.
