## **Superhero: A Biography of Christopher Reeve** Chris Nickson

In 1978 we knew him as a superhero. Soaring through the air, he seemed to embody the strength, courage, and virtue of the Man of Steel. In 1995, paralyzed from a riding accident and unable to breath without a ventilator, actor Christopher Reeve became a different kind of hero--a real one of flesh and blood, who bravely faced the most devastating kind of setback, and who ultimately became a role model for anyone who has ever wanted to give up in the face of hardship. In Superhero we see a man who has been driven from day one, driven to succeed academically, athletically, professionally, and after his accident, even more determined-to walk again, to help others in need, and to prove that the soul and spirit can soar, even when the body can barely move.
