He unexpectedly asks her to convince the new girl, Bekah, that he's ready to commit. Jack is calling now after everything they had been through because there is another woman. She can't believe it. Follow Lexi in this heart wrenching drama as she relives her past relationship, or lack thereof, with Jack, and not just in her own mind, but to his fiance-to-be. Throw in Bekah's hot brother who always seems to be in the right place at the right time, a past with more secrets to unravel than you can even imagine, and you get a recipe for disaster. Find out what happens to Lexi as she travels to Atlanta to get the closure she so desperately desires from Jack, and how the bumps of life seem to keep getting in the way.

BOOK 2: AVOIDING RESPONSIBILITY

Lexi has finally given up her once destructive relationships and moved onto bigger and better things with a sexy new man in town. Just when she is starting to figure it out with him, her world is tilted once again with a phone call from none other than Ramsey Bridges. A year after his entrance into her life, Ramsey is trying to make amends and does the one thing she never expects—invites her to Jack's wedding.

The wedding she had evaded at all costs. But no matter what she does, Lexi can't seem to escape her past with Jack. But does she really want to?

Despite the explosive chemistry between Lexi and Ramsey, she is skeptical about trusting him after everything that has happened. When things are amiss with him, she starts questioning his motives. Can Ramsey be the one to remove Jack from Lexi's life permanently or should she move on with her blossoming new life?

BOOK 2.5: AVOIDING INTIMACY

So when it came to her personal life, she made sure she never had to relive that. With looks that could kill, it was simple for Chyna to be the love 'em and leave 'em kind of girl. And she had always been okay with it. She would rather be single the rest of her life than end up as miserable as her parents. So when a man rescued her after she was drugged in a night club, she never expected to start a relationship with him.

But one chance meeting changes it all. Chyna is offered a once in a lifetime opportunity that could skyrocket her career, and she is forced to make a decision that could ruin everything.

BOOK 1.5: AVOIDING DECISIONS

Two Avoiding Series novellas written from Jack and Ramsey's point of views from the first time they each meet Lexi.

BOOK 3: AVOIDING TEMPTATION

Two years after walking out of Jack's wedding, Lexi has finally put her past behind her. She has made up her mind about where her life is headed. This time, she is sticking to her guns, no matter what.

That is, until a phone call shatters the fragile grasp she has on her new life. Lexi is forced to question everything she thought she knew about what she wanted, and life-changing events push her to reevaluate the very plans she holds so dear. Nevertheless, Lexi has to choose her true path. That might just mean deciding, once and for all, that she doesn't have to answer to anyone but herself.

In this highly anticipated final installment of the bestselling Avoiding series, follow Lexi as she juggles a new career, a new city, and the burgeoning affections of three very different men.
