Spending her days caring for her grandmother and her nights dreaming up new worlds to write about, Maci wants nothing more than to enjoy life alongside her new man, Liam. But after a wicked visit from the devil himself, she quickly learns that the hearts and flowers of her new relationship will have to wait.

Big Jim, Liam's sworn enemy, attempts to blackmail Maci in order to gain a leg up in the gaming industry. It's all she can do to keep her wits about her as she battles with right and wrong, knowing just how devastating it would be for Liam if she were to deceive him.

After going through hell and back, it's finally Game On as Liam and Maci team up to defeat the evil likes of Big Jim. With the walls of betrayal closing in on them, it doesn't take long to devise a game plan for conquering the enemy—but a solid strategy doesn't always mean it's game over.
