**Imperial Germany and the Great War, 1914-1918 (New Approaches to European History)** Roger Chickering

Unlike other existing surveys, this book explores the comprehensive impact of the First World War on Imperial Germany by offering a rich portrait of life on the home front: the pervasive effects of 'total war' on wealthy and poor, men and women, young and old, farmers and city-dwellers, Protestants, Catholics, and Jews. Now appearing in a second edition, this accessible book reflects important new scholarship in the field and boasts an expanded and revised bibliography. It is essential reading for all students of German and European history, war and society. First Edition Hb (1998): 0-521-56148-5 First Edition Pb (1998): 0-521-56754-8
