## **Lascivious (For the Love of Gods) (Volume 2)** Renee Miller

Chaos carefully orchestrates the pawns in a game no one knows they're playing. Her goal: redesign Dionysus' Fate. To appease Hera, Zeus exiles his Halfling son, Dionysus, in Elysium. For years, Dionysus slips away from his prison undetected ... until he crosses Aphrodite. Angry with Dionysus for discarding her, Aphrodite follows him to Earth, and casts a spell that could alter Olympus forever. And the seed she plants bears fruit. If he finds his heart, Dionysus can rule it all, and free Chaos from Tartarus, but in the end, her most valuable player may be one whose future is not yet colored by Fate.
