The Stories I Read to the Children documents, for the very first time, Pura Belpre's contributions to North American, Caribbean and Latin American literary and library history. Thoroughly researched but clearly written, this study is scholarship that is also accessible to general readers, students and teachers. Pura Belpré (1899-1982) is one of the most important public intellectuals in the history of the Puerto Rican diaspora. A children's librarian, author, folklorist, translator, storyteller and puppeteer who began her career during the Harlem Renaissance and the formative decades of the New York Public Library, Belpré is also the earliest known Afro-Caribeña contributor to American literature. In The Stories I Read to the Children, Lisa Sánchez González has collected, edited, and annotated over 40 of Belpré's stories and essays, most of which have never been published. Her introduction to the volume is the most an extensive study to date of Belpré's life and writing.
