## **Torture Is a Moral Issue: Christians, Jews, Muslims, and People of Conscience Speak Out**

Twenty-one scholars, activists, military officers, and religious leaders have come together here to underscore that torture is a moral issue, beyond all partisan politics, but also to help religious communities mobilize against it, so that all loopholes permitting torture by any U.S. agencies, whether military or intelligence, might be eliminated.

Torture Is a Moral Issue begins with background material, including accounts from a torture survivor and a former U.S. interrogator in Iraq. Parts two, three, and four encompass the Christian, Jewish, and Muslim responses respectively. Part five offers solutions to this horrific problem and considers what would need to be achieved for specifically U.S. torture to be brought to an end.
