"Grandma, sometimes Papa isn't in Heaven. Sometimes he's here."

In this fascinating book, after-death communications expert Christine Duminiak shares more than 100 true stories of children up to the age of seventeen who have been contacted by deceased loved ones. From cases where the child was born after the death of the relative who appeared to him, to comforting messages from those who died under troubling circumstances, the testimonials will help adults understand this common paranormal occurrence, find the larger meaning in such visitations, and nurture the child's invaluable gift. Ultimately, familiarizing ourselves with this natural phenomenon may shed light on some of our most complex questions about life, death, and our purpose here on earth.

"A fascinating collection of children's experiences of communication with departed loved ones. I encourage everyone to open up their hearts and minds to what the purest littlest ones are telling us." --Msgr. Thomas Hartman, co-host of TV's *The God Squad*

"At last, a really sincere book that will give you many answers and open your mind to the spiritual world of children." --Joseph Wright, author of *The Psychic Hypnotist*

"An extraordinary book, teeming with wisdom and riveting stories." --Louis E. LaGrand, author of *Love Lives On*
