Invisible Lines of Connection: Sacred Stories of the Ordinary (Kushner) Rabbi Lawrence Kushner

“Suppose there is something going on in the universe which is to ordinary, everyday reality as our unconscious is to our daily lives? Softly, but unmistakably guiding it. Most of the time, we are unaware of it. Yet, every now and then, on account of some ‘fluke,’ we are startled by the results of its presence. We realize we have been part of something with neither consciousness nor consent. It is so sweet?and then it is gone. You say, ‘But I don’t believe in God.’ And I ask, ‘What makes you think it matters to God?’”
