Hannah Robinson is about to open her new shop, Cupcakes on the Corner, when her boyfriend Patrick announces that he's leaving her. Confronted with going it alone, Hannah wonders if her dream has just turned into a nightmare. So her best friend Adam sets a date – seven months to make her shop a success, or walk away. Hannah agrees and between the early morning baking and icing, she finds she has less time to think about her ex and his new girlfriend. But while Hannah is piecing her life back together, family friend Alice's life is falling apart. As the seven-month milestone approaches, it becomes clear to everyone that happiness in life, as in love, is all in the making.
