When a Cowboy Comes Calling...

The last thing harried Lila Flynn needed was another cowboy to deal with. But new hire Del Fox was different than most sweet-talking wranglers. The hard worker had a gentle touch and eyes that spoke of a past he didn't share. Lila soon found her hardened heart softening, frightening her more than any other hurdles she was facing.

Del's assignment in Short Straw, South Dakota, was meant to be fast and simple. Falling for Lila Flynn, however, had complicated everything. If he did his job right it would mean destroying everything Lila had worked for. He'd given her every reason never to trust him again. But when all was said and done, would she trust their love enough to give them a second chance?
