**Can the shadows of the past doom their passionate affair?**

**Angela Miller** has made more than her fair share of mistakes in her life. But the biggest mistake she made was becoming involved with her married boss at a Los Angeles investment firm and then becoming involved with his business dealings with the Russian mob.

Soon enough, Angela becomes an informant for the FBI and is placed in the witness protection program. She begins her new life in the small town of Mount Lemon, AZ and then meets Border Patrol agent, **Sam Collins**. Sam is unlike any man she has ever met: Handsome, intelligent, and daring. He is the very essence of a man's man. No matter what situation he is in, he's in control, and like Angela, Sam has his own shadowy past and the two are drawn together like moths to a flame!

But just as their affair begins to truly catch fire, the criminals Angela is hiding out from discover her location and come after both her and Sam. Soon enough they're on the run for their lives. But Sam quickly realizes that the evil men hunting Angela may be a bit more than he can handle and he turns to the only person in the world he knows that he can trust completely, his younger brother, rancher and ex-Army sniper, Henry Collins.
