In this kindle book you will find another five complete bonus works!!!

The three plays that tell the story of the fated Theban royal family—Antigone, Oedipus the King and Oedipus at Colonus—are among the most enduring and timeless dramas ever written

The most famous tragedies of Sophocles feature Oedipus and also Antigone: they are generally known as the Theban plays, although each play was actually a part of a different tetralogy, the other members of which are now lost. Sophocles influenced the development of the drama, most importantly by adding a third actor, thereby reducing the importance of the chorus in the presentation of the plot

In this kindle book you will find another five full bonus works!!!
