Unknown Museums of Upstate New York is an informative and entertaining guide to the rich resources available at fifty small, often overlooked, regional museums. Even those familiar with the upstate area will likely have never visited and perhaps never heard of some of the treasures this guide unearths, such as the Catskill Fly Fishing Museum, the Kazoo Museum, and the Robert Louis Stevenson Cottage and Museum. D'Imperio tells each museum's story, in light of its cultural and historical relevance, and he provides a wealth of information about the museums as places of interest to visit, not just to read about.
